The Winter Haven Police Department is seeking public assistance in locating a missing endangered adult.

Eric Riner (w/m, age 32) was last seen on June 14, 2009 at his home located at 3740 Country Club Road South in Winter Haven. His father, Charles Riner (w/m, age 66), reported him missing on June 14, 2009 at about 9:20 PM after searching for him for about 30 minutes. Charles Riner reported that Eric has the mentality of a 6 year old child, does not know his phone number, and knows his address but not how to get home.

Charles Riner told officers that Eric likely left on foot because his bicycle was at their home. He stated that Eric has never done this before and he fears that he may have gotten into a vehicle.

Eric Riner was last seen wearing dark colored pants and a black tee shirt with "WWJD" in white lettering.

A photograph has not been made available for release at this time.

Anyone who knows the whereabouts of Eric Riner, or has seen him since he was reported missing, is asked to contact law enforcement immediately.

In accordance with Florida public records laws, redacted copies of case reports from this incident may be available to the media. Requests for reports should be made through the WHPD records division at (863) 291-5649.
